DEEZA CHASSIS PARTS RELEASES 169 NEW PART NUMBERS

TOTOWA, N.J. -- Deeza Chassis Parts has announced the release of 169 new chassis parts to its product offering for North America, bringing the total to 2,045 SKU's available from Deeza's Totowa, NJ warehouse.

The new 169 part numbers fall within the following product groups:

- Outer Tie Rod Ends – 43
- Inner Tie Rod Ends – 24
- Control Arms – 61
- Stabilizer Links & Kits – 16
- Ball Joints – 23
- Control Arm Bushings – 2

“Construction of our 280,000 sq. ft. new production plant is progressing on schedule and when completed in fall of 2012, this new plant will increase our production capacity and capability drastically and we will continue to provide premium quality chassis parts to both North American and European Markets.” said Gokhan Kuru, President, Deeza Chassis Parts.

Deeza provides over 85 percent coverage for North American import applications with over 95 percent on time delivery and fill rates as well as many domestic applications. The company's catalog is available online at www.DeezaChassis.com and is fully compliant with aftermarket catalog providers including: Activant, WHI Solutions (Nexcat/Nexpart) and ShowMeTheParts.com.
